## **NOTICE CHARGES FOR HEALTH CARE SERVICES**

All individuals that choose to receive health care services at La Clínica are required to first register as patients and renew as patients annually.

During the registration and annual renewal process, patients are interviewed to determine method of payment and eligibility for various benefit health plans and programs, including eligibility for Sliding Fee Scale discount.

In accordance with the Federal Poverty Guidelines, La Clínica's sliding fee scale is based upon family size and income.

La Clínica does not discriminate against any individual receiving health services because of their inability to pay for services.

If you have questions about this policy, or wish to inquire about your eligibility to qualify for various benefit health plans and programs or sliding fee scale discounts, please speak with a receptionist or Human Services Specialist (HSS) in the Billing and Registration department for more information.
